Description:

Review "This text seems perfectly geared to the current generation of highly pragmatic students, who are eager for structure, for information that is organized and repeated for easy assimilation, and for steady readouts on how they are doing." —**TECHNICAL COMMUNICATION** (Deborah C. Andrews *Technical Communication* 2007-12-16)

About the Author

James W. Neuliep (Ph.D., University of Oklahoma) conducts research and teaches courses in intercultural communication, communication theory, communication apprehension, ethnocentrism, and research methods at St. Norbert College. In addition to his introductory intercultural

communication textbook, he was also written an introductory communication theory textbook and his research has appeared in many respected journals. He is the former editor of the *Journal of Intercultural Communication Research* and has served on the editorial boards of: *Communication Studies*; *Journal of Communication*; *Journal of Applied Communication Research*; *Journal of Social Behavior and Personality*; *Communication Quarterly*.
