Description:

Review Praise for *Plain Wisdom*

“A treasure chest, for sure... The wisdom in these stories is time-tested and true—plain and simple.”
—Karen Kingsbury, *New York Times* best-selling author of *Unlocked* and *Shades of Blue*

“A fascinating comparison between two starkly different ways of life.”
—Donald B. Kraybill, author of *The Riddle of Amish Culture*

“A beautiful weaving of the lives of two very different women drawn together through their bond of faith and love of family. Their intertwining stories offer both timeless wisdom and sincere encouragement to inspire all women to learn from one another’s experiences. You will enjoy their honesty, their humor, and their life lessons as well as some of their delicious recipes! Cindy and Miriam bring us back to the place where our hearts long to go—a place of simplicity and truth.”
—Karol Ladd, author of *The Power of a Positive Woman*

“*Plain Wisdom* provides a beautiful glimpse into the lives of my longtime friend Cindy Woodsmall and her Amish friend Miriam Flaud. Though separated by the modern world and Old Order Amish customs, they have a living faith that bonds them and invites us to embrace our experiences with greater hope, delight, and laughter.”
—Dr. Alan Weatherly, senior pastor of Asbury United Methodist Church, Madison, Alabama

“Cindy Woodsmall and Miriam Flaud have the unique ability to marry two very different lifestyles in a masterful way by focusing on their similarities in faith and in daily life. Their chapters are easily digested in short pages designed for busy women—be they Amish or English. I loved savoring the wisdom in this book as well as the mouth-watering recipes. Written with the true insight of women who have been there, *Plain Wisdom* is a serious guide to life that doesn’t take itself too seriously...and offers something for every woman.”
—Ellie Kay, author of *The 60-Minute Money Workout* --This text refers to an alternate edition.

About the Author Cindy Woodsmall is a *New York Times* best-selling author of six novels whose connection with the Amish community has been featured on *ABC Nightline* and on the front page of the *Wall Street Journal*.

Miriam Flaud is an Old Order Amish woman who has lived within one of the most structured societies in the United States. She’s experienced the abundant joys of that lifestyle as well as troubled times. She and her husband have six children and five grandchildren. --This text refers to an alternate edition.
