Support your clinical decision making and prepare for everyday challenges in the primary care

setting with Pocket Primary Care, a brand new, pocket-sized loose-leaf resource that offers the most current, evidence-based approaches to delivering quality care in the outpatient setting.

Representing the efforts of a dedicated team of primary care and specialist physicians at the Massachusetts General Hospital, this practical resource provides the key clinical data you need to manage your patients effectively and quickly.

- Gain insights into the most up-to-date evidence-based practices, accepted best practices, and expert opinions of physicians at Massachusetts General Hospital, including appropriate workups and when to refer
 - Quickly find the information you need through tabs that make it easy to locate topics of interest.
 - Customize the book to meet your specific needs by inserting your own notes into the 6-ring binder's front and back pockets, leaving out pages you don't need, or adding others to it.
 - Get instant access to key clinical information on the most common issues seen in practice, including preventive medicine, cardiology, dermatology, endocrinology, GI, hematology, infectious disease, musculoskeletal complaints, neurology, ophthalmology, ENT, psychiatry, pulmonary, nephrology, women's health, men's health, and geriatrics.
