#### Description:

**From the Author** The book and its contents might upset a few Reiki Masters for various reasons and for that they should not buy it. I have heard all the reasons they might have (I talk about them in the book) and I disagree with all of the reasons, respectfully. The book was not published for this group. It was published for Reiki Healers (that can include Masters) seeking information and

guidance. I believe there should not be any secrets in regards to Healing and Reiki.

**About the Author** Steve Murray is an Usui Reiki Master and the author of the global best selling Reiki The Ultimate Guide books. Steve also has a series of 25 healing programs on DVD. The DVD subjects include Reiki Attunements; Cancer Guided Imagery; weight loss, pain, fear, and stress relief, just to name a few, and he has produced six Reiki CDs for healing. Any questions about Reiki the Ultimate Guide or Reiki, contact Steve Murray. Just Google Steve Murray and you will find his contact information through his website. Steve responds to all emails and he does have a Reiki Certification program of which this book is a part.
