See sociology in everyday life

REVEL™ for *Society: The Basics* utilizes a complete theoretical framework and a global perspective to offer students an accessible and relevant introduction to sociology. John Macionis, author of the best-selling Introductory Sociology franchise over the last three decades, empowers students to see

the world around them through a sociological lens, helping them to better understand their own lives. Informative as well as engaging, REVEL for *Society: The Basics* will change the way readers see the world, and open the door to a new perspective and new opportunities. In addition to extensively updated data, REVEL for the Fourteenth Edition offers engaging discussions of hot-button contemporary topics such as the increased proliferation of social media as well as expanded coverage of race, class, and gender.

REVEL is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, REVEL replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, REVEL is an interactive learning environment that enables students to read, practice, and study in one continuous experience - for less than the cost of a traditional textbook.

NOTE: REVEL is a fully digital delivery of Pearson content. This ISBN is for the standalone REVEL access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use REVEL.
