**Description:**

***Robert's Rules of Order, Newly Revised, In Brief*** was first published in 2005 to meet the need for a simple and short book on parliamentary procedure. This second edition of ***In Brief*** is now updated and revised to match the new full edition of *Robert's Rules of Order, Newly Revised*, also published this year.

Written by the same authorship team behind the officially sanctioned *Robert's Rules of Order*, this concise, user-friendly edition takes readers through the rules most often needed at meetings—from debates to amendments to nominations. With sample dialogues and a guide to using the complete edition, **Robert's Rules of Order, Newly Revised, In Brief** is the essential handbook for parliamentary proceedings.
