Description:

Review "A smashing debut! Charming, sexy, and brimming with wit--you'll be adding Jessica Lemmon to your bookshelves for years to come!" (**USA Today bestselling author Heidi Betts**)

"Lemmon's characters are believable and flawed. Her writing is engaging and witty. If I had been reading this book out in public, everyone would have seen the HUGE grin on my face. I had so much fun reading this and adore it immensely. " (**LiteraryEtc.wordpress.com** 2013-01-00)

"If you are interested in a loveable romance about two troubled souls who overcome the odds to find their own happily ever after, I would certainly recommend that you give TEMPTING THE

BILLIONAIRE a try. It was definitely a great Valentine's Day read, for sure!"

"...The awesome cover opened to even more awesome things inside. It was realistic! Funny! Charming! Sweet!" (*AbigailMumford.com* 2013-01-00)

About the Author Jessica Lemmon has always been a dreamer. At some point, she decided head-in-the-clouds thinking was childish, went out, and got herself a job . . . and then she got another one because that one was lousy. And when that one stopped being fulfilling, she went out and got another . . . and another. Soon it became apparent she'd only be truly happy doing what she loved. And since "eating potato chips" isn't a viable career, she opted to become a writer. With fire in her heart, she dusted off a book she'd started years prior, finished it, and submitted it. It may have been the worst book ever, but it didn't stop her from writing another one. Now she has several books finished, several more started, and even more marinating in her brain (which currently resides in the clouds, thankyouverymuch), and she couldn't be happier. She firmly believes God gifts us with talents for a purpose, and with His help, you can create the life you want. (While eating potato chips.)

Jessica is an ex-meat-eater, writer, artist, dreamer, wife, and den mother to two dogs.
