## **Description:**

Pippi is an irrepressible, irreverent, and irrefutably delightful nine-year-old girl who lives alone (with a monkey) in her wacky house, Villa Villekulla. When she's not dancing with the burglars who were just trying to rob her house, she's attempting to learn the "pluttification" tables at school; fighting Adolf, the strongest man in the world at the circus; or playing tag with police officers. Pippi's high-spirited, good-natured hijinks cause as much trouble as fun, but a more generous child you won't find anywhere. Astrid Lindgren has created a unique and lovable carrot-topped character, inspiring generations of children to want to *be* Pippi. The first *Pippi Longstocking* was published in America in 1950, and this fine, newly illustrated collection includes *Pippi Goes on Board* and *Pippi in the South Seas*. Pippi makes reading pure pleasure. (*Ages 7 to 10*)
