#### Description:

We are in “the communication age.” No matter who you are or how you communicate, we are all members of a society who connect *through* the internet, not just to it. From face-to-face interactions to all forms of social media, **The Communication Age, Second Edition** invites you to join the

conversation about today's issues and make your voice heard. This contemporary and engaging text introduces students to the essentials of interpersonal, small group, and public communication while incorporating technology, media, and speech communication to foster civic engagement for a better future.
