Description:

From The third Goddess Test title finds now-goddess Kate Winters married to Underworld king Henry, and they're both held captive with exiled Titan king Cronus. This is thanks to ruthless Calliope, who is determined to take Kate's new baby, along with Henry's and even Kate's life. Meanwhile, Cronus' plans to dominate both mortals and gods are rapidly progressing, with potentially devastating consequences. This take on Greek mythology again blends fantasy, romance, and suspense—and occasional gory conflict. While Kate's contemporary, detailed narrative can sometimes be ponderous and melodramatic, series followers will appreciate her continued experiences and the fact that there's some closure—although there's definitely room for a follow-up. Grades 9-12. --Shelle Rosenfeld --This text refers to the edition.
