**Description:**

The Thomas à Kempis fan club includes St. Ignatius, , , and even 's Miss Marple. (She reads a chapter of *The Imitation of Christ* every night before sleep.) *Imitation* has exerted immense influence on Christian worship, ethics, and church structure, because it gives specific yet broad-minded guidance about the central task of Christian life--learning to live like Jesus. Better to read this book a little here and there, now and then, than to try gobbling it cover to cover. *Imitation* is no triumph of orderly thinking, but it's a great monument and incentive to deep living. --*Michael Joseph Gross*
