Description:

The World's Religions, by Huston Smith, has been a standard introduction to its eponymous subject since its first publication in 1958. Smith writes humbly, forswearing judgment on the validity of world religions. His introduction asks, "How does it all sound from above? Like bedlam, or do the strains blend in strange, ethereal harmony? ... We cannot know. All we can do is try to listen carefully and with full attention to each voice in turn as it addresses the divine. Such listening defines the purpose of this book." His criteria for inclusion and analysis of religions in this book are "relevance to the modern mind" and "universality," and his interest in each religion is more concerned with its principles than its context. Therefore, he avoids cataloging the horrors and crimes of which religions have been accused, and he attempts to show each "at their best." Yet *The World's Religions* is no pollyannaish romp: "It is about religion alive," Huston writes. "It calls the

soul to the highest adventure it can undertake, a proposed journey across the jungles, peaks, and deserts of the human spirit. The call is to confront reality." And by translating the voices of Hinduism, Buddhism, Islam, Confucianism, Christianity, and Judaism, among others, Smith has amplified the divine call for generations of readers. --*Michael Joseph Gross* --This text refers to an out of print or unavailable edition of this title.

Review "Huston Smith's classic on the world's religions has justifiably become as venerable as the old texts he studies. . . . I urge all readers to make it the core of their home library." -- *Thomas Moore, author of Care of the Soul and The Soul of Sex*

"Intelligent, clearly written...reveals the spirit of each faith." -- *New York Times*

"Intelligent, clearly written...reveals the spirit of each faith." -- -- *New York Times*

"Intelligent, clearly written...reveals the spirit of each faith." -- -- *The New York Times Book Review*

"The best one-volume book on world religions remains Huston Smith's THE WORLD RELIGIONS." -- *Library Journal*

"This is not only the best book of its kind, there is nothing else in its league." -- -- *Stephen Mitchell*

"This is one book on world religions I can't do without. I return to it often--and always with reward." -- *Bill Moyers*

"This is one book on world religions I can't do without. I return to it often--and always with reward." -- -- *Bill Moyers*

"Huston Smith's classic on the world's religions has justifiably become as venerable as the old texts he studies. I'm thrilled to see it enjoying yet another incarnation. It is more important today than it was in its first printing, and I urge everyone to make it the core of their home library." -- *Thomas Moore, author of Care of the Soul and The Soul of Sex*

"Intelligent, clearly written...reveals the spirit of each faith." -- *The New York Times Book Review*

"This is not only the best book of its kind, there is nothing else in its league." -- *Stephen Mitchell* --
