Description:

Review Filled with the folk humor and storytelling charm that have made Tom and Huck so popular for so many decades. -- *Audiobook News Service, Spring-Summer 2005*

From the Publisher Hesperus Press, as suggested by their Latin motto, *Et remotissima prope*, is dedicated to bringing near what is far—far both in space and time. Works by illustrious authors, often unjustly neglected or simply little known in the English-speaking world, are made accessible through a completely fresh editorial approach and new translations.

Through these classic works, which feature forewords by leading contemporary authors, the modern reader will be introduced to the greatest writers of Europe and America. An elegantly designed series of genuine rediscoveries.
