Description:

Review "*Xenophone's Cyrus*--the earliest book on the subject--is still the best book on leadership."--Peter F. Drucker

--This text refers to an out of print or unavailable edition of this title.

From the Back Cover Twenty-five hundred years ago, Cyrus, a great Persian leader of wisdom and virtue, created the Persian Empire, conquered Babylon, freed forty thousand Jews from captivity, wrote mankind's first human rights charter, and ruled over those he had defeated with respect and benevolence.

The Iranians came to regard Cyrus as "The Father," the Babylonians as "The Liberator," and the Jews as "The Anointed of the Lord." The Greeks called him "The Law Giver," and, a century after Cyrus's death, an admiring Xenophon of Athens wrote an epic account of his many leadership principles at war and at peace.

By freshening the voice, style, and diction that Xenophon ascribed to Cyrus, Larry Hedrick has fashioned a more immediate Cyrus. A new generation of readers, including executives, managers, and military officers, can now learn from Cyrus's unparalleled leadership and wisdom in Xenophon's classic narrative.
