#### **Description:**

**Review** "There hasn't been a game-changing book on personal development in a long time. The wait is over. *The Charge* confronts our very notions of what drives us as humans, and after reading this book you'll find a new internal charge that's stronger and more energized than you ever imagined possible." —**Jack Canfield, Co-author of the Chicken Soup for the Soul series and author of *The Success Principles***

“Every once in a while you read a book that completely changes how you think about your life, igniting within you a new internal drive to be more, do more, and give more. This is that kind of book.” —**David Bach, #1 New York Times bestselling author of *The Automatic Millionaire* and *Start Late, Finish Rich***

“I look for authenticity and proof when I learn from someone, and I can share that Brendon Burchard is one of the most engaged, energetic, and enthusiastic people I've ever met. I've always wanted to know how he developed such a remarkably strong internal charge. This book reveals his secrets. If you too want to perform at higher levels of joy, engagement, and productivity—buy this book. It's a must-read for any serious student of success and high performance.” —**Darren Hardy, Publisher of *SUCCESS* magazine and New York Times best-selling author of *The Compound Effect***

“*The Charge* will change your life. Our brains are hard wired to meet specific human drives, and learning to harness and activate those drives is the secret to success and happiness. This is a smart and beautifully written book, and it will electrify your life. Get this book!” —**Daniel G. Amen, MD, New York Times best-selling author of *Change Your Brain, Change Your Life***

“*The Charge* is an inspiring guide to the one thing we all want: more life in our lives. Brendon Burchard proves that we can harness our emotional drives to feel more alive, and that it's our internal charge that helps us meet life's challenges with joy and courage. I love this book.”--**Paulo Coelho, New York Times bestselling author of *The Alchemist***
